

## iPads in the English Classroom

- 1.** Start class off by reading a book from the Free Books  app. Select a book and have all students download the book to read.
- 2.** Have students go to [www.googlelittrips.com](http://www.googlelittrips.com) and explore a lit trip.
- 3.** Project a few Vocabulary words onto the Promethean Board. Have students define the words using the Dictionary  app.
- 4.** Create a book review using imovie. 
- 5.** Create stories using the Story line App. 
- 6.** Students can use Wikipedia Mobile  for research. Have them research a famous author or the author of the book they are currently reading.
